

FINAL RESULTS AAWDC INTERCLUB CHALLENGE 2007

AAWDC Member Clubs

The interclub Challenge held on 18 August 2007 at the Leeuwkop Prison was a great success!! Thanks again, in a big way, to the Isuzu Off-road Club that made this a success story. The final results, based on all the score sheets received, have now been double-checked, cross-checked and confirmed. Unfortunately the final team result had to be altered, because of a miss feed and subsequent calculation error on the evening. But these are the final results and no further communication will be entered into.
